HIGHLIGHTS

Unless you've been living in a cave for the last couple of years, you've certainly heard the buzz about online social networking. Sites such as LinkedIn, Facebook, Twitter, YouTube and others are all the rage.

Social online networking can be one of the most important things that businesses can be doing right now in this relationship-based economy.

But do you know where to start? Do you know how to use social media to grow your business?

In this short, one-hour seminar, you'll learn how to use social networking as a free way for your business to connect with your target market and build client relationships with a few clicks of your mouse.

Lunch is included with your registration!
