

Welder Safety – Dress for Success and Safety

OHBA Safety Pages

Do not wear any clothing that has been contaminated with oil, grease, gasoline or other flammable or hazardous materials!

- Wear a welding helmet or face shield with correct shade of filter for type of welding.
- Wear safety glasses with side shields under your welding helmet.
- Wear dry, hole-free and approved leather welding gloves.
- Wear head and ear protection to protect your head and ears from hot sparks and slag.
- Wear a flame-retardant shirt or jacket with cuffless pants and high top work boots.
- Wear approved respirator when needed due to type of welding being done – hazardous welding fumes; i.e. Hexavalent Chromium.

The information we provide is not intended to include all possible safety measures and controls. In addition, the safety information we provide does not relieve the Members of its own duties and obligations with regard to safety concerns, nor does Oregon Home Builders Association guarantee to the Members or others that the Member's property, job sites and/or operations are safe, healthful, or in compliance with applicable laws, regulations or standards. The Members remain responsible for their own operations, safety practices and procedures and should consult with legal counsel as they deem appropriate.
